**2009
Penalolen
Sauvignon Blanc**

This is a very well-made wine that has sold well for us over the past three or four years. It is probably the first Sauvignon Blanc that I direct people to when asked what do we have in that varietal. Simply, this is the best wine of its type in the store and a perfect example of why you don't have to over-spend for a good bottle of white wine. Penalolen's Sauvignon Blanc comes from Chile's prestigious cool climate appellation, the Casablanca Valley, and demonstrates how impressive Sauvignon Blanc can be when grown in the right place and guided by a talented winemaker. The use of pure, ripe fruit gives the wine a powerfully rich and complex flavor free from oak or residual sugar. The aromas of mandarin orange and fresh cut flowers, combined with good acidity, make this Sauvignon Blanc a classic partner for food.. You will be back to buy this wine by the case.

**This 2009 Penalolen Sauvignon Blanc is
\$9.99a bottle or \$100 per case.**
