Zanzibar Sandra

If you visit this winery's website you might be shocked to see that the least expensive way to buy this delicious wine is by the case only, have it shipped, all for the princely sum of \$509. We are offering the 2007 Zanzibar Sandra for \$19.99 per bottle or \$200 per case. Gee, where should you buy this wine? While Zanzibar Cellars is located in St. Paul, Oregon, make no mistake about it, this is a Washington State wine. Zanzibar Cellars joins a long list of both Oregon and Washington state wine producers who are sourcing their fruit from the Aldercreek Vineyard located in the highly esteemed Horse Heaven Hills AVA. Some of those wineries are Andrake Cellars, Canoe Ridge, Cloumbia Crest, Maryhill Winery and Three Rivers. This wine is a blend of 78% Cabernet Sauvignon, 75 Cabernet Franc and 15% Syrah. This is what would qualify as a "big" wine, one that you might pay \$40-\$50 for and not bat an eye. So, I'm offering it to you for \$20. While we have had this wine available for the past six months or so I expect we will be sold out by late Spring. Don't miss out or re-stock your supplies of this great red!!!
